

Please find the enclosed information on the Independent Living Services Program.

The program is funded through the State of Maine's Division of Vocational Rehabilitation. It enables people with disabilities to live independently in the community. This program is a fund of last resort, and may be applied for when there are no other funding options to meet your independent living needs.

If you wish to apply for these services, please complete this application and information release forms. These must be completed entirely so that we may process them as quickly as possible.

When your application is received, we will contact you to set up an appointment to discuss your eligibility and your independent living needs. We will determine your Priority Status for the Waiting List under Order of Selection rules. When your name comes to the top of the waiting list, we will contact you again to work with you to identify and purchase your products or services.
